

Handwashing

Handwashing shall occur in a sink that is not used for meal preparation or clean-up and is away from the food serving area.

Licensed child care staff members and employees shall wash hands, defined as using soap and water or using hand sanitizer, at the following times:

- Upon arrival for the day, after breaks and upon returning from outside.
- After toileting or assisting a child with toileting.
- After each diaper change or pull-up change.
- After contact with bodily fluids or cleaning up spills or objects contaminated with bodily fluids.
- After cleaning or sanitizing or using any chemical products.
- After handling pets, pet cages or other pet objects that have come in contact with the pet.
- Before eating, serving or preparing food or bottles or feeding a child.
- Before and after completing a medical procedure or administering medication.
- When visibly soiled (must use soap and water).

Children shall wash hands, defined as using soap and water or using hand sanitizer (if 24 months or older), at the following times:

- Upon arrival for the day.
- After toileting/diaper change.
- After contact with bodily fluids.
- After returning inside after outdoor play.
- After handling pets, pet cages or other pet objects that have come in contact with the pet before moving on to another activity.
- Before eating or assisting with food preparation.
- After water activities.
- When visibly soiled (must use soap and water).

Children who are unable to stand by themselves may be given wet paper towels and soap to wash and rinse their hands.
