

Written Permission When Children Are Transported

Routine Trips

Written permission from the parent shall include:

- The child's name.
- The destination(s) of the trip(s).
- The signature of the parent.
- The date on which the permission was signed.
- A statement notifying parents how their child will be transported.

The written permission shall be valid for the routine trip(s) for one year or until withdrawn by the parent.

Field Trips

Written permission from the parent shall include:

- The child's name.
- The date(s) and destination(s) of the trip(s).
- The departure and return time(s) of the trip(s).
- The signature of the parent.
- The date on which the permission was signed.
- A statement notifying parents how their child will be transported.

The provider shall secure written permission for all field trip(s) and shall inform the parent about each trip in advance.
