

## Appendix B to Rule 5101:2-13-14

**Type A Home Vehicle Requirements**

1. Effective until January 1, 2017:
  - a. Type A Homes that are issued a provisional license after September 1, 2008 shall not be permitted to use converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers. This applies to all vehicles that are owned, leased or contracted.
  - b. Type A Homes that replace or add a vehicle shall not be permitted to use converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers. This applies to all vehicles that are owned, leased or contracted.
  - c. Vehicles used for transporting children which are purchased, leased or contracted after September 1, 2008 are required by the United States department of transportation to be equipped with seat belts at the time of manufacture or assembly, shall have factory installed passenger restraint anchorages and passenger restraints that are suitable for use in transporting children of any age. "Factory installed" means installed by the manufacturer or retrofitting that is accompanied by a certification document from the manufacturer. Add-on restraints such as infant carriers, car seats or booster seats are designed to be installed by the end user and are not subject to these requirements.
2. Effective January 1, 2017:
  - a. Type A Homes may use any of the following vehicles to transport children:
    - i. School buses as defined in section 4511.01 ORC.
    - ii. Multi-function school-activity buses.
    - iii. Vehicles designed by the manufacturer to carry nine or fewer passengers.
  - b. Type A Homes shall not transport children in converted cargo vans or passenger vans designed by the manufacturer to carry ten or more passengers.
  - c. Vehicles used for transporting children which are purchased, leased or contracted after September 1, 2008 are required by the United States department of transportation to be equipped with seat belts at the time of manufacturing or assembly, shall have factory installed passenger restraint anchorages and passenger restraints that are suitable for the use in transporting children of any age. "Factory installed" means installed by the manufacturer or retrofitting that is accompanied by a certification document from the manufacturer. Add-on restraints such as infant carriers, car seats or booster seats are designed to be installed by the end user and are not subject to these requirements.
