**FROM:** Matt Damschroder, Interim Director

**SUBJECT:** Permanent Transitional Child Care Rules in Response to the  
Coronavirus (COVID-19) Pandemic

**Background:**

In response to the COVID-19 pandemic, the Ohio Department of Job and Family Services (ODJFS) is working to ensure that children continue to be safe in child care settings and that the rules reflect guidance from the Ohio Department of Health and Centers for Disease Control and Prevention. These permanent rules will replace the emergency rules filed on December 11, 2020.

An in-home aide (IHA) is regulated and certified by county agencies pursuant to Chapter 5101:2-14 of the Ohio Administrative Code (OAC). Rule 5101:2-16-10 of the OAC details that the IHA is paid an hourly rate that is equal to the state minimum wage for forty or fewer hours in a week or a rate of one and one-half times the state minimum wage for hours in excess of forty in a week. There are no payment enhancements for special needs child care nor care provided during non-traditional hours for an IHA.

The following rules are effective April 1, 2021.

**New Rules:**

5101:2-12-02.2 "Transitional Pandemic Requirements for a Licensed Child Care Center" is a new rule with the following guidelines:

- Licensed child care centers are to follow all of the licensing requirements of Chapter 5101:2-12.
- The center is to follow updated handwashing procedures for employees, staff, and children. The center may use non-permanent sinks to meet the handwashing requirements of this chapter.
- The center is to also assess for temperature and the COVID-19 symptoms listed in appendix A to the rule and follow all isolation or quarantine protocols.
- Isolation or quarantine protocols will be completed in coordination with the local health department or in compliance with the Ohio department of health (ODH) and United States centers for disease control and prevention (CDC) guidelines.
- The center will ensure that all administrators, child care center staff members, employees, and school-age children wear a face covering that covers the individual's nose and mouth while indoors, unless not medically or developmentally appropriate.
- The center will report all COVID-positive tests to their local public health department and to ODJFS.
- There are new procedures if the center needs to divide a room into smaller spaces to serve multiple groups of children.
- The transitional pandemic rule is valid until the governor of Ohio rescinds the state of emergency and or directs ODJFS to return to full child care licensing requirements.

5101:2-12-02.3 "Temporary Pandemic School-Age Child Care Centers" is a new rule with the following guidelines:

- Creates a new license for programs serving only school-age children.
- Temporary pandemic school-age child care centers will follow all of the licensing requirements of Chapter 5101:2-12 with the exceptions and additions detailed in new rule.
- The center will follow all application requirements in rule 5101:2-12-02 of the Administrative Code with a separate timeline for administrator qualifications documentation requirements and food service documentation requirements.
- There is no registration fee or change of location fee for these program types.
- The Ohio School-Age Administrator Professional Endorsement is an available qualification for temporary pandemic school-age child care center administrators.
- The center will follow inspection requirements for temporary pandemic school-age child care centers.
- The center will not provide weekend, evening or overnight care.
- The center may provide transportation pursuant to rule 5101:2-12-14 of the Administrative Code to and from the children's homes, the children's school, or to and from another licensed child care program. This includes walking with the children.

- Children in care at the temporary pandemic school-age child care center are not permitted to go on field trips, routine trips, or participate in swimming or water activities.
- Programs without on-site outdoor space are permitted to walk to the approved off-site outdoor play space.
- The temporary pandemic school-age child care center license is valid until the governor of Ohio rescinds the state of emergency or June 30, 2021, whichever occurs first. If the executive order is rescinded by the governor of Ohio before June 30, 2021, the center may choose to voluntarily close or apply for a child care license.

5101:2-13-02.2 "Transitional Pandemic Requirements for a Licensed Family Child Care Provider" is a new rule with the following guidelines:

- Licensed family child care providers are to follow all of the licensing requirements of Chapter 5101:2-13.
- The provider, all family child care staff members, employees and children are to follow updated handwashing procedures. The family child care provider may use non-permanent sinks to meet the handwashing requirements of this chapter.
- The provider is to also assess for temperature and the COVID-19 symptoms listed in appendix A to the rule and follow all isolation or quarantine protocols.
- Isolation or quarantine protocols will be completed in coordination with the local health department or in compliance with the Ohio department of health (ODH) and United States centers for disease control and prevention (CDC) guidelines.
- The family child care provider will ensure that the provider, all child care staff members, employees, residents and school-age children wear a face covering that covers the individual's nose and mouth while indoors, unless not medically or developmentally appropriate.
- The provider will report all COVID-positive tests to their local public health department and to ODJFS.
- The transitional pandemic rule is valid until the governor of Ohio rescinds the state of emergency and or directs ODJFS to return to full family child care licensing requirements.

5101:2-14-02.2 "Transitional Pandemic Requirements for a Certified In-Home Aide" is a new rule with the following guidelines:

- Certified In-Home Aides (IHA) are to follow all of the certification requirements of Chapter 5101:2-14.
- The IHA is to follow updated handwashing procedures, and ensure children follow handwashing procedures.

- The IHA is to assess themselves for temperature and the COVID-19 symptoms listed in appendix A to the rule prior to going to the child's home and follow all isolation or quarantine protocols.
- The IHA will ensure children and residents of the home are assessed for temperature and the COVID-19 symptoms listed in appendix A to the rule and follow all quarantine protocols.
- Isolation or quarantine protocols will be completed in coordination with the local health department or in compliance with the Ohio department of health (ODH) and United States centers for disease control and prevention (CDC) guidelines.
- The IHA will wear a face covering that covers their nose and mouth while indoors, unless not medically appropriate.
- The IHA will report all COVID-positive tests to their local public health department and to ODJFS.
- The transitional pandemic rule is valid until the governor of Ohio rescinds the state of emergency and or directs ODJFS to return to full certified in-home aide requirements.

**Amended Rule:**

5101:2-16-10 "Payment rates and procedures for providers of publicly funded child care services" has been amended with the following changes:

- Established an in-home aide pilot program to update wages for an in-home aid in a participating county who serves at least one child who qualifies for special needs child care or at least one child who needs care during non-traditional hours.
- Clarified that payments for publicly funded child care include time a school-age child is participating in remote learning at a child care center, but not if the parent had the option to send the child to in-person learning, including a hybrid school model, and chose only remote learning.
- Expanded absent days from ten to twenty during each six-month period.
- Created thirty-five new pandemic days which the provider can use if they normally would have provided child care services, but were advised to close by ODH or the local health department or in compliance with guidance from ODH and the CDC as a result of the COVID-19 pandemic.

**In-Home Aide Pilot:**

The Ohio Department of Job and Family Services (ODJFS) is creating a twelve-month six county pilot to provide payment enhancements for special needs child care or care provided during non-traditional hours. The following counties have been identified for the pilot: Athens, Hocking, Meigs, Perry, Ross and Vinton.

An IHA in these participating counties who provides special needs child care to at least one child or care to at least one child during non-traditional hours may be paid an enhanced rate of thirteen dollars per hour for forty or fewer hours or one and one-half times this rate for hours in excess of forty in a week.

An IHA in the pilot can apply for pre-certification without an identified family. The JFS 01642 "In-Home Aide Assurances" form is not required until the end of the certification process. A blank sheet of paper can be uploaded at application to allow the application to be submitted.

Please contact the Child Care Policy Helpdesk at [childcarepolicy@jfs.ohio.gov](mailto:childcarepolicy@jfs.ohio.gov) or 1-877-302-2347, option 4, if you have any questions.

5101:2-16-10

**Payment rates and procedures for providers of publicly funded child care services.**

- (A) How are payment rates established in the publicly funded child care program?
- (1) Payment rates are based on a market rate survey completed by the Ohio department of job and family services (ODJFS) to providers in the state of Ohio.
  - (2) Payment rates shall apply to all providers of publicly funded child care.
- (B) What is the payment rate for a provider not participating in step up to quality (SUTQ)?
- (1) The payment rate for a provider not participating in SUTQ shall be the lower of these two:
    - (a) The rate shown in appendix A to this rule for non-rated programs in the provider's county of location.
    - (b) The provider's customary rate to the public.
  - (2) The rate determined in paragraph (B)(1) of this rule shall be the base rate used to calculate any applicable additional payment amounts pursuant to paragraphs (D), (F) and (G) of this rule.
- (C) What is the payment rate for a provider participating in SUTQ?
- (1) The base payment rate for a provider participating in SUTQ shall be the lower of these two:
    - (a) The rate shown in appendix A to this rule for rated programs in the provider's county of location.
    - (b) The provider's customary rate to the public. If the customary rate is used, an additional four per cent will be added, not to exceed the rated appendix.
  - (2) Once the rate is determined in paragraph (C)(1) of this rule, an additional per cent shall be added, as follows:
    - (a) One-star rated programs shall be paid an additional five per cent.
    - (b) Two-star rated programs shall be paid an additional eighteen per cent.
    - (c) Three-star rated programs shall be paid an additional twenty-one per cent.
    - (d) Four-star rated programs shall be paid an additional twenty-nine per cent.

(e) Five-star rated programs shall be paid an additional thirty-five per cent.

(D) What is the payment rate for accredited providers?

(1) Providers who are accredited by an ODJFS approved accrediting body as listed at <http://jfs.ohio.gov/cdc/childcare.stm> shall be paid an additional ten per cent of the applicable payment rate established in paragraph (B)(1) of this rule or paragraph (C)(1) of this rule. This rate shall apply for all children receiving publicly funded child care services.

(2) Providers who are accredited and also participating in SUTQ shall be paid either the per cent additional payment in paragraph (C)(2) of this rule or the per cent additional payment in paragraph (D)(1) of this rule, whichever is higher.

(E) What is the difference between a school-age rate and a summer school-age rate?

(1) School-age rates shall be in effect during the school year as defined in rule 5101:2-16-01 of the Administrative Code.

(2) Summer school-age rates shall be in effect outside of the school year as defined in rule 5101:2-16-01 of the Administrative Code.

(F) What is the compensation for child care services provided during non-traditional hours?

(1) Providers who care for children during non-traditional hours shall be paid an additional five per cent of the applicable payment rate established in paragraph (B)(1) or (C)(1) of this rule.

(2) This rate shall apply to the child for all hours of care during a week when any non-traditional hours of care are provided.

(3) The payment shall not exceed the provider's customary charge to the public.

(4) Non-traditional hours are the hours between seven p.m. and six a.m. on weekdays, and between twelve a.m. Saturday and six a.m. Monday.

(5) Non-traditional hours include any hours of care provided on New Year's day, Martin Luther King Jr. day, Memorial day, Independence day, Labor day, Thanksgiving day and Christmas day.

(G) How are providers compensated for the care of children with special needs?

(1) Providers who care for a child that the caretaker and the county agency have identified as having special needs pursuant to rule 5101:2-16-02 of the

Administrative Code shall be paid an additional five per cent of the applicable payment rate established in paragraph (B)(1) or (C)(1) of this rule. The payment shall not exceed the provider's customary charge to the public.

- (2) Providers who make special accommodations for the care of a child with special needs may receive twice the amount of the applicable payment rate established in paragraph (B)(1) or (C)(1) of this rule if approved pursuant to rule 5101:2-16-09 of the Administrative Code.
- (3) Payment enhancements or additional percentages shall only apply to the hours of care for the child with special needs.

(H) What time increments are used for the payment of publicly funded child care services?

- (1) Time increments are broken down into weekly categories based on the total number of hours per week that each child is authorized to receive publicly funded child care services, pursuant to rule 5101:2-16-06 of the Administrative Code. The categories of payment are as follows:
  - (a) An hourly payment is for hours of care totaling less than seven hours per week.
  - (b) A part-time payment is for hours of care totaling seven hours to less than twenty-five hours per week.
  - (c) A full-time payment is for hours of care totaling twenty-five hours to sixty hours per week.
  - (d) A full-time plus payment is for hours of care totaling more than sixty hours per week.
  - (e) A week is defined as the seven-day period from twelve a.m. Sunday to fifty-nine minutes after eleven p.m. on Saturday.
- (2) Payment shall be calculated using the total number of child care hours per week, that have been approved by the caretaker, if applicable, and submitted by the provider in the automated child care system.
  - (a) The total number of weekly hours of care received will be matched with the associated category and the provider will receive the payment rate for that category of care, up to the child's category of authorization.
  - (b) Payment shall not be made for hours that exceed the child's category of authorization.

(I) Are providers compensated for registration fees?

Providers may receive registration fees for children receiving publicly funded child care according to the following criteria:

- (1) Annually, a provider with a valid provider agreement as of January first shall receive a twenty-five dollar registration fee for each child who received publicly funded child care from the provider in the previous calendar year. For approved day camps, the camp shall have had a valid provider agreement as of August thirtieth of the previous year.
- (2) The child must have received publicly funded child care from the provider for at least one day during January through December of the previous year.

(J) Is a provider compensated when a child is absent from the program?

- (1) A child is eligible for a maximum of ~~ten~~twenty absent days during each six-month period of January through June and July through December of each state fiscal year.
- (2) Absent days are defined in rule 5101:2-16-01 of the Administrative Code.
- (3) A provider may be paid for an absent day for which a child is eligible. An absent day shall not be paid prior to actual attendance at the authorized program. The attendance shall be documented by a recorded in time and a recorded out time, and shall have occurred on any day in the previous rolling twelve months.
- (4) The value of an absent day is based on the child's authorized hours for care, as follows:
  - (a) For a full-time or a full-time plus authorization, the value of an absent day is eight hours.
  - (b) For a part-time or an hourly authorization, the value of an absent day is five hours.

(K) Are providers compensated for staff professional development days?

- (1) Providers are eligible for two professional development days per state fiscal year. A fiscal year is defined as July first through June thirtieth.
- (2) Professional development days are defined in rule 5101:2-16-01 of the Administrative Code.

- (3) Professional development days cannot be used on two consecutive calendar days or in two consecutive calendar months.
- (4) Professional development days shall not be used on any holiday listed in paragraph (F)(5) of this rule.
- (5) The value of a professional development day is based on a child's authorized hours for care, as follows:
  - (a) For a full-time or a full-time plus authorization, the value of a professional development day is eight hours.
  - (b) For a part-time or an hourly authorization, the value of a professional development day is five hours.

(L) What is not included in the payment for publicly funded child care services?

The provider's publicly funded child care payment shall not include:

- (1) A child's copayment amount pursuant to rule 5101:2-16-05 of the Administrative Code.
- (2) Payment for services provided during the hours that a child is in care in another federal or state funded program (including, but not limited to, head start, early head start, or the early childhood education program).
- (3) Payment for services provided during the hours that a school-age child would typically be in attendance at a primary or secondary school.
  - (a) Payment will include time that a school-age child is participating in remote learning, including the remote portion of a hybrid school model, while in child care.
  - (b) Payment will not include time that the child is participating in instructional services which supplant or duplicate the academic program of any school.
  - (c) Payment will not include care during the school-day if the parent has the option to send the school-age child to in-person learning, including a hybrid school model, and instead opted for only remote learning.

(M) What are the requirements regarding fees that a provider may charge to the caretaker?

- (1) A provider shall make a caretaker aware of fees not covered by publicly funded child care payments for which the caretaker may be responsible.

- (a) A provider shall have a signed agreement with the caretaker for the payment of these fees.
  - (b) Such fees may include:
    - (i) Late fees.
    - (ii) Activity fees.
    - (iii) Transportation fees.
    - (iv) Charges for absent days which exceed those eligible for payment from ODJFS.
    - (v) Charges for hours of care that exceed those authorized.
  - (2) A provider shall not ask a caretaker to pay the difference between the provider's payment rate and the provider's customary charge to the public when the customary charge is higher.
  - (3) A provider shall not ask a caretaker to pay the difference between the registration fee paid for the child by ODJFS and the provider's customary registration fee charge to the public when the customary registration fee is higher.
- (N) What are the payment rates for in-home aides that provide publicly funded child care services?

An in-home aide is the only provider of publicly funded child care services who may provide child care in the child's own home. Payment rates for in-home aides shall be determined according to the following:

- (1) An in-home aide shall be paid an hourly rate that is equal to the state minimum wage for forty or fewer hours in a week. An in-home aide pilot program may be operated in participating counties detailed in a child care letter published by ODJFS.
  - (a) An in-home aide in a participating county may be paid an enhanced hourly rate of thirteen dollars for forty or fewer hours in a week when at least one child qualifies for special needs child care as determined pursuant to this chapter or at least one child needs care during non-traditional hours is served.
  - (b) A rate of one and one-half times the rate in paragraph (N)(1)(a) of this rule will be paid for hours in excess of forty in a week.

(c) This pilot will exist for the time period specified in a child care letter published by ODJFS or until funding is no longer available, whichever is sooner.

- (2) A rate of one and one-half times the state minimum wage shall be paid for hours in excess of forty in a week.
- (3) The total payment shall include child care services provided to all of the authorized child(ren) in the caretaker's home.
- (4) An in-home aide shall not claim absent days or professional development days for children receiving publicly funded child care services.

(O) Are providers compensated for pandemic days?

(1) A pandemic day means a day in which the provider would normally provide child care for currently enrolled children, but were advised to close by the Ohio department of health (ODH) or the local health department or closed in compliance with guidance from ODH and the United States centers for disease control and prevention (CDC) as a result of the COVID-19 pandemic.

(2) Providers are eligible for thirty-five pandemic days per fiscal year.

(3) The provider will provide ODJFS written documentation of the advisory to close. Failure to provide the documentation may result in the pandemic days not being paid.

(4) The value of a pandemic day is based on a child's authorized hours for care, as follows:

(a) For a full-time or a full-time plus authorization, the value of a pandemic day is eight hours.

(b) For a part-time or an hourly authorization, the value of a pandemic day is five hours.
