Fiscal Administrative Procedure Letter (FAPL) No. 112

To: Fiscal Administrative Procedure Manual Holders

From: Matt Damschroder, Director

Subject: Medicaid Unwinding Additional Allowable Costs

As outlined in FAPL 108, and in accordance with the Consolidated Appropriations Act of 2023, the state of Ohio returned to routine Medicaid eligibility requirements as of February 1st of 2023. Amended Sub House Bill 45 appropriated 30 million dollars in funding to support counties with increased activity.

In addition to the allowable activities listed in FAPL 108, assets and contract purchases used to process undeliverable Medicaid eligibility redetermination mail documents is allowable, and:

1. Acquisition standards and procurement processes are followed as outlined in chapter 5101:9-4 of the Administrative Code.
2. Mail hardware or software defined as a capital asset in rule 5101:9-4-10 of the Administrative Code may be direct charged to Medicaid Unwinding funding.
3. Contract costs cannot be prepaid using Medicaid Unwinding for costs incurred after March 31, 2024.
4. The final rule for Coronavirus State and Local Fiscal Recovery Funds FAQ 13.16 addresses the use of assets after the period of performance, and can be found at this link <https://home.treasury.gov/system/files/136/SLFRF-Final-Rule-FAQ.pdf>
5. The disposal of assets purchased with federal funds must follow rule 5101:9-4-15 of the Administrative Code.
