Family, Children and Adult Services Manual Transmittal Letter No. 518

To: Family, Children and Adult Services Manual Holders

From: Matt Damschroder, Director

Subject: **Ohio Adoption Grant Program**

On January 6, 2023, Governor DeWine signed House Bill 45 of the 134th General Assembly creating the Ohio Adoption Grant Program (OAGP) under Ohio Revised Code sections 5101.19, 5101.191, 5101.192, 5101.193, and 5101.194, to be effective April 7, 2023. An Ohio Administrative Code (OAC) rule within Chapter 44 along with two new forms and instructions have been developed for the OAGP to be administered by the Ohio Department of Job and Family Services (ODJFS). Additionally, two rules for the State Adoption Maintenance Subsidy (SAMS) Program in Chapter 44 and one rule for the Kinship Permanency Incentive (KPI) Program in Chapter 40 impacted by the OAGP have been amended. The following is a brief explanation of the changes:

OAC 5101:2-44-15 entitled **Administration and Eligibility for the Ohio Adoption Grant Program** provides an overview of the program eligibility requirements of the Ohio Adoption Grant Program and outlines the process to apply for the one-time payment including the approval and denial processes.

OAC 5101:2-44-06 entitled **Eligibility for the State Adoption Maintenance Subsidy Program (SAMS)** outlines the eligibility requirements for the SAMS payments and provides the process to apply for the program. The rule was amended to address income received from the Ohio Adoption Grant Program, effective, April 7, 2023, is not to be counted when calculating the annual gross income for applicants. The rule was also restructured for clarification, along with the removal of revision dates for forms.

OAC 5101:2-44-08 entitled **Redetermination and Amendment of a State Adoption Maintenance Subsidy (SAMS)** describes the process for annual redetermination or a request to amend the agreement upon the request of the adoptive parent. The rule was amended to add language that funds received from the Ohio Adoption Grant Program, effective April 7, 2023, are not to be counted when calculating the annual gross income for applicants at the time of redetermination or request for amendment.

OAC 5101:2-40-04 entitled **Kinship Permanency Incentive (KPI) Program** provides an overview of the KPI program including eligibility requirements and public children services agency (PCSA) responsibilities for administering the program. The rule was amended to address income received from the Ohio Adoption Grant Program, effective

April 7, 2023, is not to be counted when calculating the annual gross income for applicants. The definition of “kinship caregiver” was amended to reflect the definition in section 5101.85 of the Ohio Revised Code. Additionally, language was added to clarify that a child who is receiving Kinship Guardianship Assistance Program (KGAP) payments is not eligible for KPI and that any KGAP payments received for other children are not to be included in the income calculation for KPI. Additional edits to the rule were completed to correct errors and to reflect the current reference to the Ohio Statewide Automated Child Welfare Information System (SACWIS).

Kinship permanency incentive (KPI) program.

- (A) The KPI program is designed to promote a permanent commitment by a kinship caregiver(s) through becoming guardians and custodians over minor children who would otherwise be unsafe or at risk of harm if they remained in their own homes. KPI provides up to eight incentive payments to families caring for their kin.
- (B) The following definitions are applicable to this rule and supersede any conflicting definitions contained in rule 5101:2-1-01 of the Administrative Code.

 - (2) "Family" means a kinship caregiver, spouse of the kinship caregiver, and all of the minor children for whom the kinship caregiver and spouse of the kinship caregiver are responsible, and who reside in the same household.
 - (3) "Fraudulent incentive" means incentive funds provided to the kinship caregiver(s) as a result of fraud by the kinship caregiver(s), including an intentional violation of the program requirements. Fraudulent incentive does not include incentive payments provided due to an error of the agency in processing the application.
 - (4) "Gross income" means income of the family as defined in paragraph (B)(2) of this rule before taxes and deductions.
 - (5) "Guardian" has the same meaning as in section 5107.02 of the Revised Code, which is an individual that is granted authority by a probate court or a court of competent jurisdiction in another state, to exercise parental rights over a minor child to the extent provided in the court's order and subject to residual parental rights of the minor child's parents.
 - (6) "Kinship caregiver" has the same meaning as in section 5101.85 of the Revised Code, which is any of the following who is eighteen years of age or older and is caring for a child in place of the child's parents.
 - (a) Individuals related by blood or adoption to the child including:
 - (i) Grandparents, including grandparents with the prefix "great," "great-great," or "great-great-great."

- (b) Stepparents and stepsiblings of the child.
 - (c) Spouses and former spouses of individuals named in paragraphs (B)(6)(a)(i) to (B)(6)(a)(iv) and (B)(6)(b) of this rule.
 - (d) A legal guardian of the child.
 - (e) A legal custodian of the child.
 - (f) Any nonrelative adult that has a familiar and long-standing relationship or bond with the child or the family, which relationship or bond will ensure the child's social ties.
- (7) "Minor child" has the same meaning as in 45 C.F.R. 260.30 (2003), which is either of the following:
- (a) An individual who has not attained age eighteen.
 - (b) An individual who has not attained age nineteen and is a full-time student in a secondary school or in the equivalent level of vocational or technical training.
- (C) Eligible kinship caregiver(s) shall receive an initial incentive payment and may receive subsequent payments at six-month intervals to support the stability of the child's placement in the home.

 - (2) Individuals who were approved for their sixth incentive payment prior to March 17, 2014 are not eligible for additional incentive payments.
 - (3) Individuals who submitted their sixth application to the public children services agency (PCSA) on or after March 17, 2014 may be eligible for additional incentive payments.
 - (4) Individuals who have not received their sixth incentive payment may be eligible for additional incentive payments.

(D) For each state fiscal year (SFY), the Ohio department of job and family services (ODJFS) shall determine the initial and subsequent payment amounts. At the beginning of each SFY, ODJFS shall provide notice to the PCSAs identifying the initial and subsequent payment amounts for that SFY.

(E) The PCSA shall determine the kinship caregiver(s) eligible for KPI when all of the following criteria are met:

(1) On July 1, 2005 or thereafter, a court issued an order granting legal custody or guardianship to the kinship caregiver(s). A temporary court order is not sufficient to meet this requirement.

(2) The minor child resides with the kinship caregiver(s). If the child is on temporary leave from the kinship caregiver's home (e.g., hospitalization, mental health treatment or respite) and the kinship caregiver retains legal custody or guardianship this shall not preclude eligibility for KPI.

(3) The kinship caregiver(s) is a resident of the state of Ohio.

(4) The gross income of the kinship caregiver's family does not exceed three hundred per cent of the federal poverty guidelines.

The PCSA in the county in which the kinship caregiver(s) formerly resided shall share information regarding prior incentive payments and upon request, transfer the case to the PCSA of the kinship caregiver's new county of residence.
